ENROLLMENT PROCEDURES FOR INTERNATIONAL STUDENTS

Thank you for showing interest in training with us at CH Technologies. Please find below a simple and straight forward procedure of how to train with us.

The steps you will need to follow to get recruited at CH Technologies are;

1. Tell us in writing [Email] or by phone [Call] the type of training/machine you would like to undertake. You can do this by sending us an email to info@hilltechnologies.co.za or by completing the contact us form on our website www.training.hilltechnologies.co.za/contactus.php
2. Proceed to our website and download the application documents. Please note that there are many documents to download but others are just to help you understand the application process. All we need from you is a fully completed and signed Application form. Please send it to us via email info@hilltechnologies.co.za.
You can download the application forms from the link below;
<http://www.training.hilltechnologies.co.za/downloads.php>
3. Upon receiving your application, we shall to the soonest notify you if it has been successful.
4. A confirmation letter inviting you for the training will be immediately emailed to you. You will then proceed and make your bus/train reservation/booking
5. During this period, we keep phone conversation until you arrive where we collect you and take you to the training centre.

Wishing you the best

CH Technologies
